**To:** Park Commission / Town Board  
**From:** Jerry Wagner  
**Re:** Northern Lights Trail Segment  
**Date:** February 9, 2012

Town staff would like the Park Commission and Town Board to approve monies to develop a segment of trail located within the Northern Lights Estates Plat. Vierbicher's cost for locating and staking the trail segment is estimated to cost \$1,000. Estimated cost for the crew to clear the trail and remove invasives within the easement is estimated at \$1,300. Park Development budgeted \$2,300 dollars for this 2012 project.

In conclusion, staff would like to have \$2,300 approved out of the 2012 Park Development Budget to stake and clear the trail easement of trees and brush.
