Date when Canine Coordinator will Notify in writing all residents within 600 feet of the trail.	

**Notes:** The Homeowners Association Board must approve the concept that **OWNERS ARE RESPONSIBLE FOR REGISTERING DOGS ANNUALLY, KEEPING THEM ON LEASHES WHEN ON PATHS, and REMOVING WASTE** in accordance with local, state, and other regulations.

**Approval is on a “trial basis” until December 31, 20\_\_\_\_\_.** During that time the Canine & Deputy Coordinators, Park Commission and Town Board will monitor positive and negative feedback from homeowners, along with Town Staff to determine if the Canine Trail Request will continue after the trial period. Canine & Deputy Coordinators must agree to help explain and enforce regulations.

At any time, if the Town feels that the specified trail is not being maintained to Town standards, the Town Staff shall report the issue to the Park Commission. The Park Commission shall determine that a proper written notice may be issued to the Canine Coordinator & Deputy Canine Coordinator. If after five days (or the agreed upon timeframe with Town Staff) the specified trail is not cured, the Town shall remedy the issue appropriately. After three written notifications have been issued, the Town will automatically revoke the Canine Trail Request. The Town also reserves the right to revoke any Request at any time for any reason.

All members of the Homeowners Association will be encouraged to report habitual violators to the Canine or Deputy Coordinators or West Precinct Sheriff's Department at 267-4936.
