Date when Weed Coordinator will Notify in writing all residents within 600 feet of playground area.	

Notes: Each requested playground area is only approved on an annual basis.

Weed Management Coordinator must agree to help explain and enforce regulations.

If the Town feels that the specified playground area is not being maintained to Town standards, the Town Inspector shall issue a "Weed Notice" pursuant to Wis. Stat. § 66.0407 which will require five days from receipt of the notice to destroy all such weeds or come to an agreement with Town Inspector as to when the weeds will be destroyed. If after five days (or the agreed upon timeframe with the Town Inspector) the specified playground area is not cured, the Town shall destroy said weeds appropriately. After three notifications have been issued, the Town will automatically revoke the Herbicide Exemption Request. The Town also reserves the right to revoke any Request at any time for any reason.
